JOE BISPO—Photographer

We've only just begun

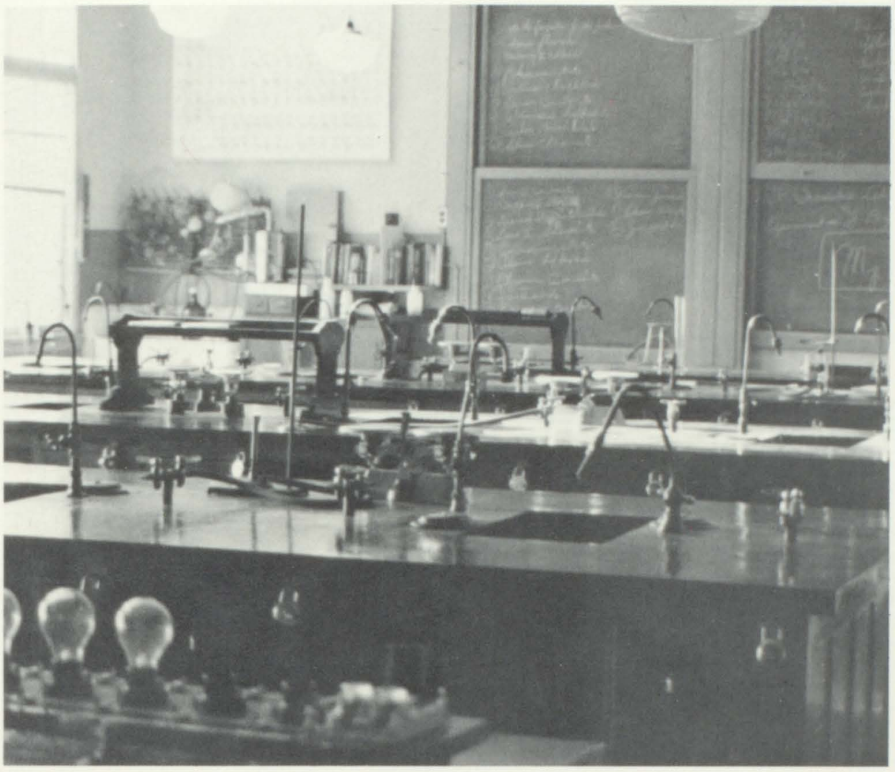

White lace

A kiss

And we're

to live . . .

and promises

for luck

on our way.

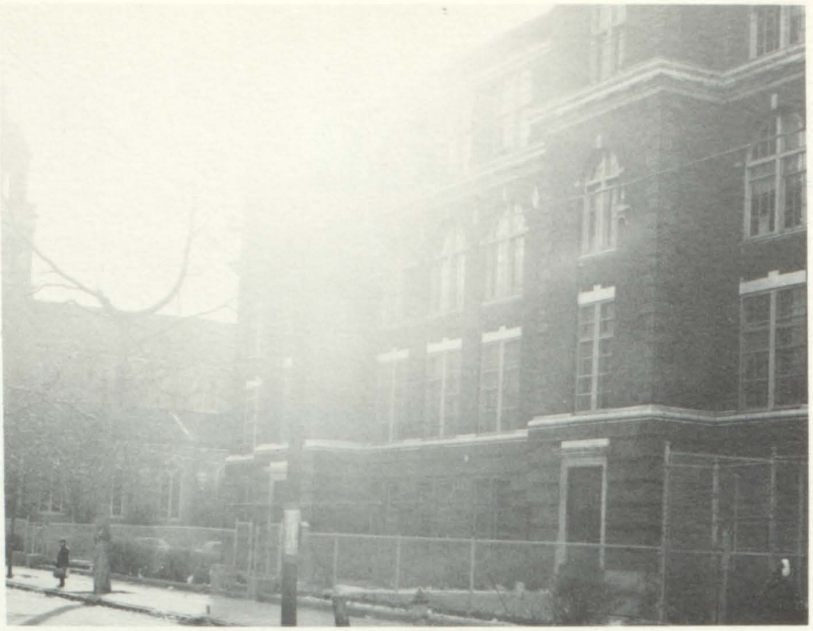

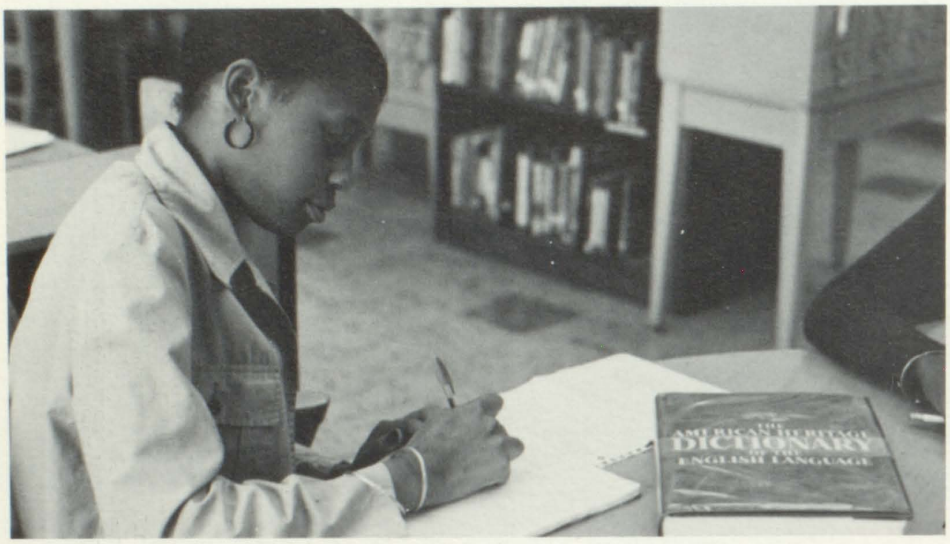

Before the

rising

sun,

We fly.

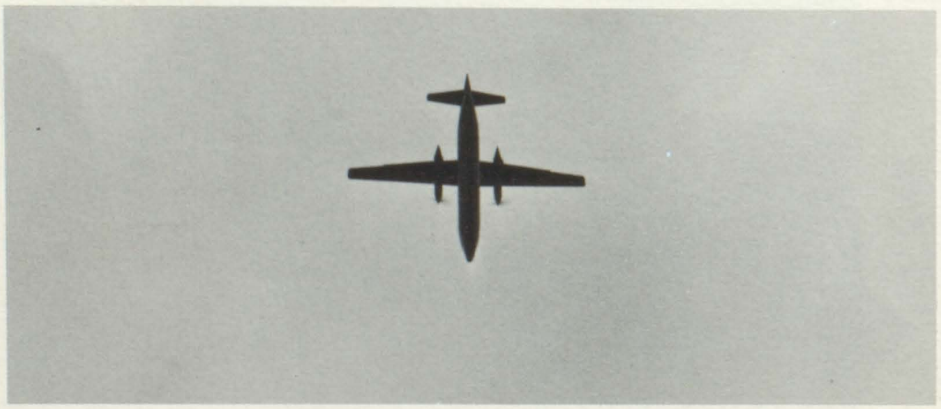

So many roads

to choose

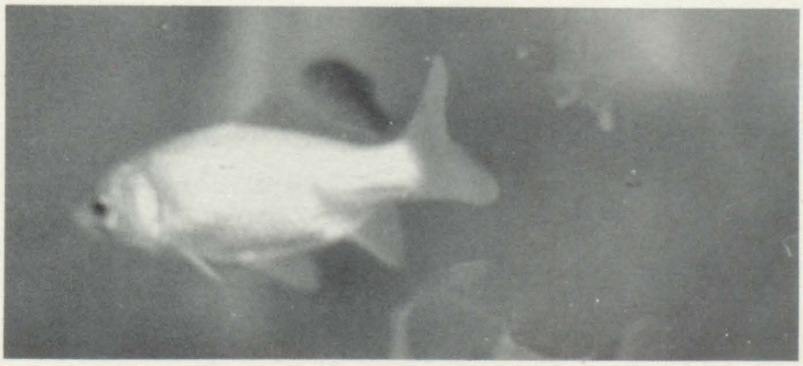

We start out walking and learn to run.

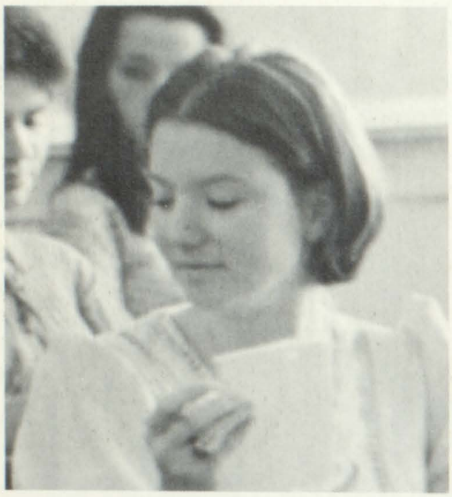

And yes, We've just begun . . .

Sharing horizons

that are

new to us .

Watching the signs

along the way.

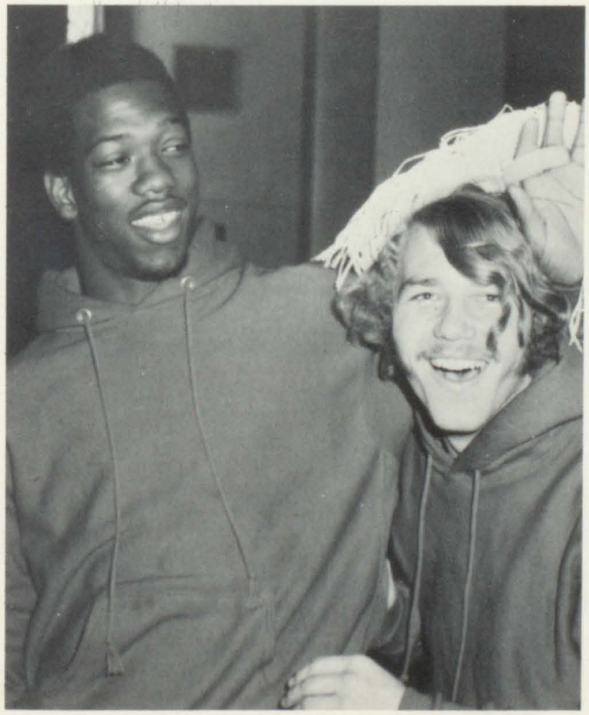

Talking it over just the two of us,

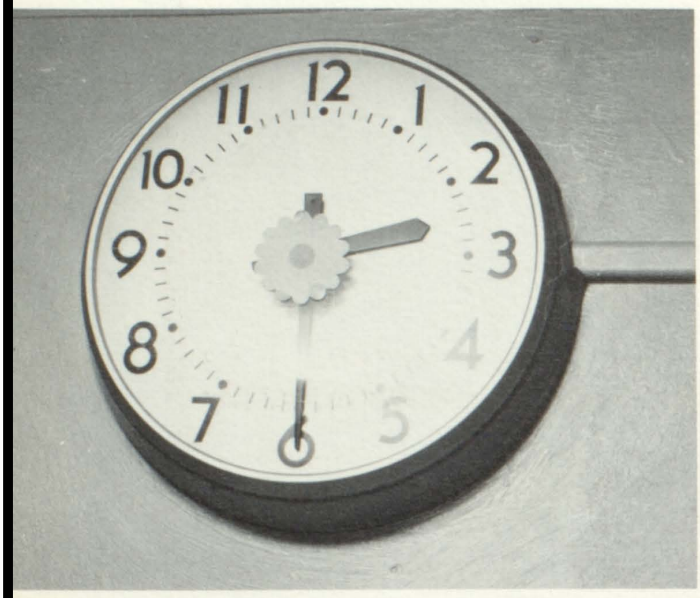

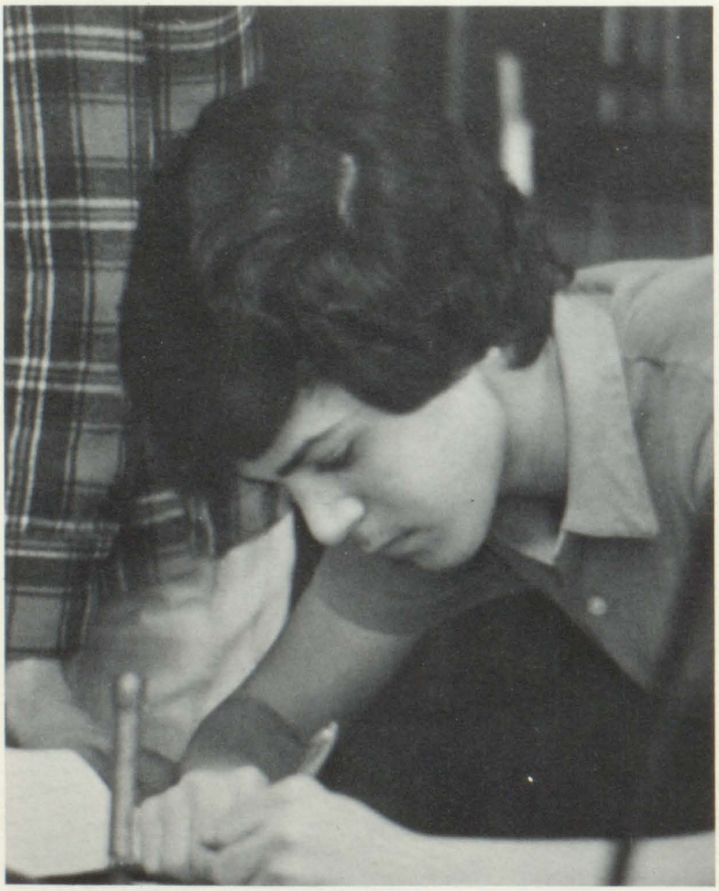

Working together

day to day.

And when the evening comes. We smile.

So much of life ahead,

Four years of our lives . . .
A time of searching
A time of growing
A time of questioning
A time of changing
and wondering why
And now—
A time to leave.
Four long years. Over.
And in its place
A new time
For a new life,
a new beginning . . .
